

PUBLIC NOTICE

Henderson County North Carolina proposes registering an antenna structure with the Federal Communications Commission. The proposed structure is a lattice tower that is at an elevation of 2474 feet, located at 228 Tower View, Fletcher, Henderson County, North Carolina (35-23-55.0 N, 082-29-31.5 W). Anticipated lighting for the structure will dual-red and medium intensity.

A Form 854 application has been filed with the FCC under file number A1238417. Interested persons may review this application by going to www.fcc.gov/asr/applications and entering the file number.

Environmental concerns about the proposed structure may be raised by filing a Request for Environmental Review with the FCC. The FCC strongly encourages interested parties to file Requests for Environmental Review online. Instructions for making such filings can be found at www.fcc.gov/asr/environmentalrequest.

Should interested parties prefer to file a Request for Environmental Review by paper copy, the address for submitting is:

FCC Requests for Environmental Review
Attn: Ramon Williams
445 12th Street SW
Washington, DC 20554

Copies of any Request for Environmental Review should be served to the applicant at:

Henderson County, North Carolina
ATTN: Jimmy Brissie
2529 Asheville Highway
Hendersonville, NC 28791
JBrissie@Hendersoncountync.gov

The Federal Communications Commission will be posting notice of this proposed structure on their website, <https://wireless2.fcc.gov/ASRManager/service/nationalNoticeReport.faces>, on or about March 2, 2023. Requests for Environmental review must be received by the FCC no later than thirty (30) days after the date of publication by the FCC.
